

## **August 15th - August 31st 2015**

The Committee has met several times and has produced a draft outline structure and timetable of the next Festival. It's been decided that it will be held during the last two weeks of August 2015. Yes, it seems a long way off but there's much to do between now and then.

As always, the Festival will include a wide but ambitious programme to cater for all tastes. There will be some old favourites like the Art Exhibition, Music Concerts and the Scarecrow Competition but we also have some new ideas.

However, we can't do it on our own. It's a village event so this is where you come in. Please let us know if you can offer help with either the planning of events or helping hands on the day.

Whether it's making a cake, putting out chairs, taking money at the door, distributing leaflets, putting up signs, providing raffle prizes or helping to organise a whole event your support would be very much appreciated.

Whatever you can do you'll be welcomed with enormous relief and open arms. Please phone or email me and I'll compile a list of people we can contact when the time comes.

We'll be giving you more information about the Festival as soon as the details are firmed up and we know how many volunteers we can rely on.
