

**EVERYONE'S TOMORROW**  
**Conference and information fair organised by the Senior Council for Devon**  
**10am, Thursday March 11 2010**  
**Matford Centre, Matford Park Road, Exeter EX2 8FD**

HUNDREDS of older people from across Devon are to have the chance to hear in person the latest Government thinking on issues that particularly affect them, from health and social care to transport and social isolation.

The Everyone's Tomorrow conference and information fair in Exeter will host several high-profile speakers, including Angela Eagle MP, Minister for Pensions; John Hart, the leader of Devon County Council; the chief executive of NHS Devon; and, offering his thoughts on rural issues with a typically light touch, Tony Beard, BBC Radio Devon's Wag from Widecombe.

A question-and-answer session will be held at the conference, which has been organised by the Senior Council for Devon, the county-wide forum for people aged 50 and over. The information fair, attended by a range of health and social-care professionals and charity organisations, will run concurrently with the conference.

Everyone's Tomorrow will take place on Thursday 11 March 2010 starting at 10am at the Matford Centre, Matford Park Road, Exeter, EX2 8FD. It is a free event that is open to members of the public aged 50-plus, and it is still not too late to place a booking for a free lunch.
