

## **Crealock Arms Charity Success**

The Crealock Arms and The Ricochet Darts Team has raised £8000.00 in support of the Chemotherapy Unit of The North Devon District Hospital. The proceeds were from a Wild Western Hoe Down celebration held at the pub on 11th April.

So well attended was the event that a field adjacent to the pub car park was annexed to provide parking for the throngs of cars that turned up. Most visitors were dressed in appropriate period costumes with Cowboys, Cowgirls, First Nation Americans, Sheriffs and Marshalls, not to mention Saloon Girls much in evidence.

The car park was transformed into a Wild Western settlement with tepees, covered wagons with horses and field kitchens. Victuals were provided for ticket holders by the Crealock Arms kitchens.

Entertainment was provided by the inimitable Littleham Howlers who sang a set of Western themed songs and Roger Calome who performed a solo set of similarly themed tunes.
