

Police Volunteer Roles - 11/09/15

We (the Office of the Police and Crime Commissioner) are advertising on behalf of Devon and Cornwall Police for two voluntary roles based around Victim Care. We were hoping that you would advertise both of these vacancies within your hub/organisation/building/community for your visitors/members/general public to see?

One of the roles is based in Exeter which is to assist within the new Victim Care Unit and the other which is specialised towards victims of Fraud and could be based anywhere throughout Devon and Cornwall.

I have attached two documents (which are both the same but one is a word document and the other is a PDF) with all of the information on.

If you would like to discuss this further or have any questions / require any clarification, please do not hesitate to contact me.

Thank you

With regards

Sue Hayman
