

LITTLEHAM AND LANDCROSS

Our community is known for providing support and help for neighbours in need, but after the recent cold winter it seems an appropriate time to remind everyone that there is a Self-Help Emergency Plan which has been set up by the Parish Council. Some examples of the help the emergency plan can provide are: First Aid, catering, and equipment or vehicles. Hopefully there will never be a major emergency where all these are required, but it could be that in a time severe weather conditions individuals may be in need assistance. So, if you are in urgent need of help in a situation like this, do get in touch with your coordinator or assistant coordinator.

The coordinators and assistant coordinators in each parish are:

Littleham

Coordinator:	Doug Hamilton.
Assistant coordinators:	Wilf Smith. Chris Peacock.

Landcross

Coordinator:	Chris Pedlar.
Assistant Coordinators:	Sue Beer. Greg Smith. Tina Lamb. Ian Hopkins.

Please make a note of these names which will also be displayed on the parish website:
